Dear Sir or Madam,

we hereby confirm that for our insurance holder from 01.04.2025 till 31.03.2026 the subject insurance policy provides insurance coverage on basis turnover for CMR.

Maximum liability: EUR 1.500.000,00

Geographical limits:

Europe in the geographical sense as a carrier, provided that at least the place of loading or unloading is within Europe.

Worldwide as a freight forwarder

For domestic shipments within German territory according to the „Deutsches Transportrecht (§ 7 lit. A GüK)“, the maximum liability amounts to € 1.500.000,00. This insurance policy also covers the requirements established in Art. 29 (2) CMR.

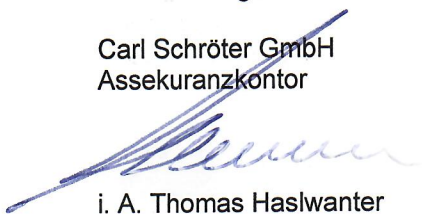

Transports within states of European Union which are based on national rules, special drawing rights are agreed to be increased up to 40 SDR/ kg.

Please note: the insurance cover is subject to sanctions. Whether a claim for loss or damages can be settled must be checked in each individual case.

Subject to premium payment.

With best regards
